

Sponsorship Information

On Tap hosts quarterly networking events. Below are the various sponsorship spots that are offered at each of our events.

Sponsoring provides a strong share-of-voice at our exclusive in-person events. Give your organization a unique opportunity to gain exposure and interact with potential clients and business partners at each event. Sponsorship gets your logo on the OnTapNetwork.com's site, emails, On Tap's Facebook Business Pages, Eventbrite, LinkedIn and Twitter; literature distribution, and best of all, having your representatives in person at the event.

□ Event Presentation Sponsor (2): \$100
